Hasbrouck Heights Lions Club

The **Hasbrouck Heights Lions Club** was founded in 1931 by civic minded professional and business men who felt the need to give service to our community, and improve our quality of life.

Some of our accomplishments include: the original athletic field floodlights, Woodland Park land and equipment for its pavilion, comfort station, playground and picnic facilities; portable band shell and stage, organization of the HH Blood Association, annual blood drive, and student loan fund. We provide free popcorn during Town Day. We also support the annual White Cane Day and Camp Marcella, a summer camp for blind & visually handicapped children. We also provide glasses to HH needy.
